### TIPS

- If you are between sizes, choose the next size up to get the best possible fit.
- Remove all jewelry before putting the garment on, and be careful with long fingernails.
- If you are over 6 feet tall, order one size up.
- Hand wash in cold water below 30°C / 86°F, lay flat or hang to dry.
- Do not use softener, as this may destroy the elasticity of the yarns.
- Do not bleach, tumble dry, iron or dry clean.
