- **RELIEVE NECK PAIN** - This neck traction hammock is made to reduce your spinal compression and relieve neck pain. By using this cervical traction device, your neck will be gently stretched and thus helping to reduce pressure on your spine, promote blood circulation and relax your muscles. Ideal for office workers, students, drivers and people who are suffering neck pain due to prolonged standing/sitting, bending, or uncomfortable body positions from daily working.
- **STRONGER & Durable**- Our head hammock is designed with four extra sturdy elastic cords and a reinforced band, for increased flexibility compared to other cervical traction hammocks. High-quality materials and superior stitching help ensure long-lasting durability and comfort.
- **COMFORTABLE & ADJUSTABLE** - The neck traction hammock comes with soft velvet ear and neck paddings for added comfort and relaxation. The length of the hammock strap is adjustable. 2-4 inch is recommended comfortable height off the ground.
- **COMFY & PORTABLE** - There is one **OPTIONAL STRAP** for you, so that you can use it on the doorknob or higher position like on a
