220 lbs

Bird Air

Bird Air

Moves with you.

The durable, foldable neck makes for easy mobility—no matter where you're headed.

Your commute, redefined.

The stable riding deck is reinforced with an aircraft-grade aluminum frame and wide, puncture-proof tires.

Know the essentials.

An LED screen clearly displays speed and battery life in real time.

Safety in mind.

A regenerative brake system and rear swing brake provide additional control.
