Brand CARRVAS

Colour Yellow 1

- **[10 Inch LCD Writing Tablet]** CARRVAS kids drawing pad features a 10 inch colorful screen that your kids can write and draw freely on it, and gives your kids a clearer view into their drawing or scribbles. Record anything you want in the writing tablet anytime and it is a great tool for parents to communicate with their children.
- **[Creativity & Imagination]** With this lcd writing board, you can encourage your kid's creative side and give them an outlet to explore their freedom of expression. Use on the go in the car or anywhere to keep your child's creative surge flowing and prevent boredom! It is very suitable for you to teach your kid to draw or education.
- **[Eye Protection & Eco-Friendly]** The LCD screen of our drawing tablet for kids, without blue light and glare, avoiding injury to child's eyes from long-term use. The electronic drawing pad can write about 100,000 times, avoid the waste of paper and pencils, reduce expense and no more mess at home.
- **[One-key Erase & Lock Design]** Writing and drawing on our electronic doodle board is just the same as on paper. It creates lines of different thickness based on how hard you push. You can erase all contents by pressing the erase button. You can also turn on the lock button to keep the contents on the writing tablets or prevents accidental clearing.
- **[Wide Applications]** This drawing board not only for writing or drawing, also can be used to arithmetic, take notes, shopping lists, to-do lists, cookbooks and even office memos. It very convenience for daily life and work. And it will be the great gift on birthday, christmas day and thanksgiving day. If you have any problem about our
